

The AVcafe is an OCLC WorldCat Cataloging Partner

Libraries can save time and resources by placing just one order to receive materials and cataloging. This one-step process can provide you with shelf-ready audiovisual materials.

If you are not an OCLC member or do not have cataloging subscription yet, please review the following:

If the library isn't an OCLC member, or if they are an OCLC member but don't have a Cataloging Subscription, they should be contacting our Customer Support group (support@oclc.org).

A Cataloging Subscription is required to use WorldCat Cataloging Partners so once you have a cataloging subscription, please follow these steps to set up WCP:

1. Go to the OCLC Online Service Center (<https://www.oclc.org/webapp/wcs/stores/servlet/OSCPortal?storeId=10051>) and log in with the credentials provided by Customer Support.
2. Select OCLC services in the left navigation pane (at the top of the list).
3. Select WorldCat Cataloging Partners in the left navigation pane (next to last in the list).
4. With the radio button for 'Modify your subscription' selected, click Continue.
5. With the radio button for 'With a vendor with whom you do not already have a profile' selected, use the drop down menu to select AV CAFÉ, click Continue.
6. Enter account number (provided by AV Café) and click continue.
7. Fill in the profile.

All libraries will be billed a fee of \$0.16 per title handling charge from The AVcafe for a basic MARC record. This nominal fee covers the cost associated with matching titles to the correct OCLC record and transmitting orders for records to WorldCat.
